### Kieran M Hurley - Director of Music Guildford Grammer School (WA)

The tour included trips to the Gardens by the Bay, Sentosa Island, Universal Studios as well as plenty of time for exploring Singapore via markets and eateries.

The concert itself was brilliant. It was a great venue in which to perform, and gave us a chance to listen and learn from all the other ensembles, before joining together with our partner school to perform some items together. This was not only the first time that many of our students had been overseas, but also the first time that most of our Indigenous Students had been 'off country'. Morcombe Travel did everything that they could to make all students, staff and parents feel comfortable and enabled us to have an amazing tour.

I thoroughly recommend that you do this tour!

**The Concert Hall** - At The Singapore Chinese Cultural Centre Auditorium

The 530 seat concert hall is an ideal venue for general music performances as well as for symphony orchestra concerts. Sound reflectors above the stage allow the acoustic height of the room to be adjusted for different performances.
