

# Morcombe Travel presents School group tours to WA destinations

SINCE 1996  
Morcombe  
Travel is your  
school group  
tour  
specialist

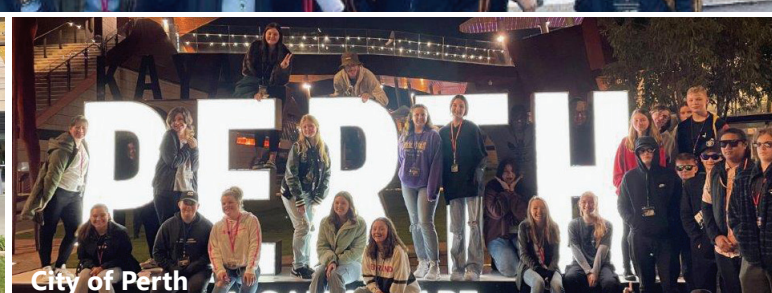

Due to government travel restrictions, and the uncertainty of border closures, **Morcombe Travel** presents to all Western Australian schools the opportunity for students to explore our great state of Western Australia. From Perth metropolitan, the north west and south of W.A., tours can be planned and booked for your school group by our Perth based, friendly consultants who have vast experience with school tours groups, and all the finer details that need to be met. We often underestimate what our state has to offer for primary and secondary students. An amazing array of opportunities to explore, learn and have memories that will last a lifetime. **Get in touch with us, if you would like to explore the option of showing your students more of Western Australia. Call 1300 552 805.**

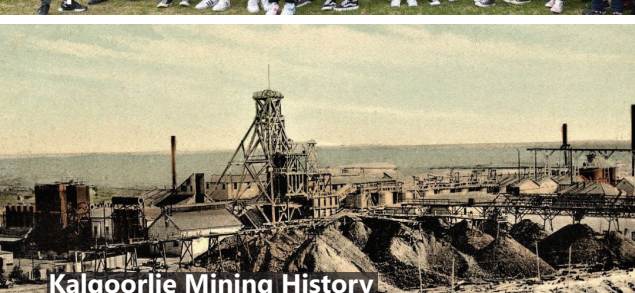

Fremantle Port

**Hedland Senior High School chose Morcombe Travel** - "Morcombe have a detailed understanding of the needs of school groups and aim to provide outstanding support and assistance with all aspects, from organisation to risk management, seating on flights and parental requests. I have no hesitation in recommending Morcombe Travel for educational tours." Chi Yenn See Tho - Head of Humanities and Social Sciences, Hedland Senior High School. **To ensure your school is looked after, call Morcombe Travel!**
