

7 Days 6 Nights

INTERNATIONAL YOUTH CHORAL FESTIVAL In Singapore July 2022/2023

A lifetime experience for your school Choir

Call for a full itinerary

This international Choral festival has been successful across China, Taiwan, South Korea and Singapore. In addition to the choral competition and master classes, the program will include community events that raise social awareness, character building and civic mindedness. The competition itself is the highlight and judged by renowned adjudicators. Prize money is awarded and choirs learn to work together to achieve a common goal. Included are public performances in world class concert halls and the opportunity to interact with participants from other nations.

This event for your choir will be unforgettable.
